Associated Students, Inc.
California State University, Dominguez Hills
Child Development Center

Project Numbers:

State Preschool (CSPP-3155)
General Child Care & Development (CCTR-3077)

Type of Agency:

Nonprofit, State of California foundation, tax-exempt organization

Address of Agency Headquarters:

1000 E. Victoria Street Carson, California 90747

Name and Address of Executive Director:

Rasheedah Shakoor, Executive Director 1000 E. Victoria Street Carson, California 90747

Telephone Number:

(310)243-3686

Period Covered by Audit:

July 1, 2023 to June 30, 2024

Number of Days of Agency Operation - On-Site:

211 days CSPP-3155 211 days CCTR-3077

Scheduled Hours of Operation Each Day - On-Site:

Monday through Thursday: 7:30 a.m. - 5:30 p.m.

Friday: 7:30 a.m. - 3:00 p.m.

Independent Auditor's Report

The Board of Directors
Associated Students, Inc., California State University, Dominguez Hills
(A California State University Auxiliary Organization)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the business-type activities of the Associated Students, Inc. California State University, Dominguez Hills ("Associated Students") Child Development Center (the "Center"), a department of Associated Students, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Center's basic financial statements as listed in the index.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the business-type activities for the Center as of June 30, 2024, and the changes in its financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Center and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Center's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter

As discussed in Note 1, the financial statements of the Center are intended to present the financial position, the changes in financial position and cash flows of only that portion of the business-type activities of Associated Students that is attributable to the transactions of the Center. They do not purport to, and do not, present fairly the financial position of Associated Students as of June 30, 2024, the changes in its financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Center's financial statements. The accompanying supplemental schedules and the accompanying schedule of expenditures of federal and state awards as required by the California Department of Education are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS and the California Department of Education Audit Guide issued by the California Department of Education. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 13, 2024 on our consideration of the Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Center's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control over financial reporting and compliance.

Notes to Financial Statements June 30, 2024

Note 1 - Organization

Associated Students, Inc. California State University, Dominguez Hills ("Associated Students"), Child Development Center (the "Center") provides child development services to the university community. The Center is operated with funds from both public and private sources. The Center has contracts with the California Department of Education, the California Department of Social Services, The California State University Office of the Chancellor, and also receives revenue in the form of student activity fees and subsidized and nonsubsidized parent fees. The Center's operations are included within the basic financial statements of Associated Students.

Note 2 - Summary of significant accounting policies

Basis of presentation

The accompanying basic financial statements have been prepared using the economic resources measurement focus and the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, as prescribed by the Governmental Accounting Standards Board ("GASB"). Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements have been met.

Financial reporting entity

The financial statements include the accounts of the Center. The Center is part of Associated Students that is a government organization under accounting principles generally accepted in the United States of America and is also a component unit of the California State University, Dominguez Hills, a public university under the California State University system. Associated Students has chosen to use the reporting model for special-purpose governments engaged only in business type activities.

Basis of accounting and reporting

The Center records revenue in part from registration fees and other charges for services to external users and, accordingly, has chosen to present its basic financial statements using the reporting model for special-purpose governments engaged only in business-type activities. This model allows all financial information for Associated Students to be reported in a single column in the basic financial statements.

Classification of current and noncurrent assets and liabilities

The Center considers assets to be current that can be reasonably be expected, as part of its normal business operations, to be converted to cash and be available for liquidation of current liabilities within 12 months of the statement of net position date. Liabilities that reasonably can be expected, as part of normal Center business operations, to be liquidated within 12 months of the statement of net position date are considered to be current. All other assets and liabilities are considered to be noncurrent.

Net position

The Center's net position is classified into the following net position categories:

Net investment in capital assets - Capital assets, net of accumulated depreciation, amortization, and outstanding principal balances of debt and lease liabilities attributable to the acquisition, construction, or improvement of those assets.

Notes to Financial Statements June 30, 2024

Restricted, expendable - Net position subject to externally imposed conditions that can be fulfilled by the actions of the Center or by the passage of time.

Unrestricted - All other categories of net position. In addition, unrestricted net position may be designated for use by Associated Students.

Cash and cash equivalents

The Center considers all highly liquid investments with an original maturity date of three months or less to be cash and cash equivalents. The deposits of Associated Students are maintained at financial institutions and are fully insured or collateralized. The carrying amount of the Associated Students' deposits represents the bank balance adjusted for outstanding checks and deposits in transit.

The cash and cash equivalents of Associated Students are fully insured up to \$250,000 per institution. Associated Students, through the University, maintains its cash balance at one financial institution and is exposed to credit risk for amounts exceeding federally insured limits (\$250,000) in the event of nonperformance by the financial institution. The University has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk for cash and cash equivalents. There is \$0 cash balance exceeding the federally insured limits at June 30, 2024, which are collateralized by securities held by the pledging financial institution's trust department or agent, but not in the depositor-government's name.

Accounts receivable

Accounts receivables are primarily unsecured amounts due from grantors on cost reimbursement or performance grants, student fees, and parent fees. Receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that remain outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. At June 30, 2024, accounts receivable of \$44,019 is related to the Center's CCAMPIS program. No allowance for doubtful accounts for accounts receivable is considered necessary at June 30, 2024.

Accrued compensated absences

Accrued compensated absences are accrued on a monthly basis based on length of service and job classification. Full-time employees accrue vacation time based upon job classification and years of service to Associated Students as follows:

Years Employed	Annualized Accrual
0 to 3 Years	20 Days
4 to 6 Years	30 Days
7 to 15 Years	40 Days
16 + Years	48 Days
Management Employees	48 Days

Accrued leave will be paid at the time of termination.

Notes to Financial Statements June 30, 2024

Revenue recognition

Revenue from government grants are conditioned upon the Child Care Programs incurring qualifying costs. Accordingly, grant revenue is recognized to the extent that allowable expenses have been incurred, up to the maximum funding provided by the grant. Parent fees are recognized as revenue as services are performed. Deferred revenue consists of amounts received which have not been earned. These amounts are transferred to revenue when earned.

Under the Center's programs, families may be responsible for paying a portion of the childcare, referred to as parent fees. Parent fees are determined based on the family's income and size. The Center collects parent fees on the first day of every month and recognizes as revenue when services have been provided.

Use of estimates

The preparation of these financial statements requires management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets, liabilities, revenues and expenses, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events

The Center has evaluated subsequent events through December 13, 2024, which is the date these financial statements were available to be issued.

Note 3 - Liquidity and availability

The Center regularly monitors liquidity required to meet its operating needs and other contractual commitments. The Center has various sources of liquidity at its disposal, including cash and cash equivalents and receivables.

At June 30, 2024, the Center had the following financial assets and liquidity resources available over the next 12 months:

Cash and cash equivalents Accounts receivable	\$ 433,453 44,019
Total assets available	\$ 477,472

Note 4 - Nutrition programs

The Center has a nutrition agreement with the California Department of Education for Child and Adult Care Food Programs, as reported in the Schedule of Expenditures of Federal and State Awards. However, no nutrition audit report schedules are included in the audit because (1) the audit disclosed no nutrition overpayments, underpayments, or program findings; (2) the contractor did not request reimbursement of audit costs; and (3) the audit is not a program-specific nutrition audit.

Notes to Financial Statements June 30, 2024

Note 5 - Compensated absences

Accrued compensated absences at year-end are included in current and noncurrent liabilities in the statement of net position and consists of the following activity during the year ended June 30, 2024:

	alance 30, 2023	Additions		Re	eductions	Balance e 30, 2024	Current Portion
Liabilities: Compensated absences	\$ 15,153	\$	22,714	\$	(14,619)	\$ 23,248	\$ 12,103
Total liabilities, net	\$ 15,153	\$	22,714	\$	(14,619)	\$ 23,248	\$ 12,103

Accrued compensated absences will be paid at the time of termination.

Note 6 - Risk management

The Center is exposed to a wide variety of risks including property loss, bodily and personal injury, intellectual property, errors and omissions and cyber-attacks. Exposures are handled with commercial insurance.

Note 7 - Contingencies

State contracts

The Center has received grant funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate expenditure disallowances under terms of the grants, management believes that any required reimbursements will not be material.

Notes to Schedule of Expenditures and Child Care and Development Program Supplemental Information June 30, 2024

Note 1 - General

The accompanying schedule of expenditures of federal and state awards presents the activity of all federal and state award programs of the Center for the year ended June 30, 2024. Such expenditures are recognized following the cost principles contained in the *California Department of Education Audit Guide*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 2 - Basis of accounting

The accompanying schedule of expenditures of federal and state awards is prepared on the accrual basis of accounting in conformity with GAAP as described in the notes to the financial statements.

Note 3 - Allowable indirect costs

The Center elected to not use the 10-percent de minimis indirect cost rate as allowed under the California Department of Education Audit Guide.

Note 4 - Allowable direct costs

Interest expense is only allowable as a reimbursable cost in certain circumstance when it has been preapproved by the administering state department or relates to the lease, purchase, acquisition, or repair or renovation of early learning and care facilities owned or leased by the contractor. No interest expense was claimed to a child development contract for the year ended June 30, 2024.

All expenses claimed for reimbursement under a related party rent transaction must be supported by a fair market rental estimate from an independent appraiser, licensed by the California Office of Real Estate Appraisers. No related party rent transactions were claimed to a child development contract for the year ended June 30, 2024.

Bad debt expense is unallowable unless it relates to uncollected family fees where documentation of adequate collection attempts exists. No bad debt expense was claimed to a child development contract for the year ended June 30, 2024.

Note 5 - Reconciliation of California Department of Education ("CDE") and GAAP expense reporting

The supplementary combining statement of activities and basic financial statements present financial data in conformity with GAAP. The other supplementary financial data presented in the audit, including data in the combining schedule of expenditures by state categories, present expenditures according to CDE reporting requirements. Reporting differences arise because CDE contract funds must be expended during the contract period (usually one year). Specifically, program amounts that are capitalized and depreciated over multiple years under GAAP are expensed in the contract period under CDE requirements. To address such reporting differences, the audit report includes a reconciliation of CDE and GAAP expense reporting.

Schedule of State Findings June 30, 2024

There were no findings for the fiscal year ended June 30, 2024.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

The Board of Directors
Associated Students, Inc., California State University, Dominguez Hills
(A California State University Auxiliary Organization)

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the business-type activities of Associated Students, Inc., California State University, Dominguez Hills ("Associated Students") Child Development Center (the "Center") as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Center's financial statements, and have issued our report thereon dated December 13, 2024, which includes an emphasis of matter paragraph as indicated on page 4.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Center's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
